ARTS RUNS

Arts Runs are flyer/brochure distribution runs to Arts related venues, including theatres, galleries, arts spaces and education spaces. A minimum 2000 flyer quantity is required for sufficient coverage in the Arts Run. Arts Runs are conducted on a monthly basis.

INFO RUNS

Info Runs encompass distribution points where your audience seeks out information regarding events in Melbourne. These places include the likes of the Melbourne Visitor Centre & Booth, Half Tix, and other high-traffic event-related venues.

OUT-OF-BOUNDARIES

Out-of-boundaries locations include distribution points which are serviced on a fortnightly basis rather than weekly, including venues such as The Fly Bar at Melbourne Airport, Groove Train locations in Frankston/Burwood, and other regional venues.

DEDICATED & REGIONAL RUNS

Dedicated / Regional Runs are specialised, highly targeted campaigns, designed to target a geographic location, demographic, or specific venue type. We visit Gippsland and Mornington Peninsula quarterly, and have extensive distribution points for Bendigo and Ballarat. Contact us to organise a custom-tailored campaign.

UNIVERSITY RUNS

University Runs include distribution points within major tertiary and diploma education institutions, including leading universities and TAFE colleges across metropolitan Melbourne. Universities
